

HP ProBook 4520s Notebook PC

Business Style

Stylish affordability. Choose from two sophisticated colors in a 39,6 cm (15.6") diagonal notebook with security and productivity features to help your business.

Windows®. Life without Walls™. HP recommends Windows 7.

Stylish design and out of box productivity

Powered by Intel processors, the HP ProBook 4520s offers refined simplicity in an affordable package. The brushed aluminum finish, available in caviar or bordeaux colors, combines good looks with durability, and includes software such as Face Recognition for easy log-in, and Corel Home Office ¹ for office productivity.

Advanced multimedia support

Advanced multimedia support includes a choice of discrete graphics featuring the ATI Mobility Radeon™ dedicated video memory. Additionally, the notebook comes loaded with the new ArcSoft TotalMedia Suite that allows you to play, edit and create video and audio files. New "multi-media controls" for video control such as play, rewind, fast-forward are now integrated into keyboard, simplifying work with video and audio files. And experience life in high-definition ² with the HDMI port that allows you to connect directly to high-definition displays.

Built to conserve

HP Power Assistant ³ lets you take control with total visibility over your notebook PCs reported power consumption! This easy-to-use tool allows you to conserve power, stretch battery run-time, accurately monitor your reported power needs and report workforce power consumption.

Built to simplify

HP QuickLook 3 ⁴ provides read and write capability of email, calendar, task and contact information in seconds at the touch of a button, without having to boot up. And HP QuickWeb ⁵ grants access to the web in seconds... even if your notebook is turned off.

Built to protect

The new spill-resistant keyboard with drains helps protect sensitive electronics and key components from minor spills. And HP 3D DriveGuard helps protect your notebook's hard drive against impact or drops using a three-axis accelerometer which detects any sudden movement and initiates protective action, so your critical information is protected.

THE
COMPUTER
IS PERSONAL
AGAIN.

³ Power calculations and cost calculations are estimates. Results will vary based on variables, which include information provided by the user, time PC is in different power states (on, standby, hibernate, off), time PC is on battery or AC, hardware configuration, variable electricity rates and utilities provider. HP advises customers to use information reported by HP Power Assistant for reference only and to validate impact in their environment. Environmental calculations were based on U.S. EPA eGrid 2007 data found at www.epa.gov/egrid/. Regional results will vary

⁴ HP QuickLook 3 is accessible when the notebook is off in Windows XP or Windows 7-based systems not supported from hibernation. Timing may vary depending on the system configuration. To enable the feature following the removal of the battery, reboot the notebook prior to subsequent use

⁵ HP QuickWeb is accessible when the notebook is off in Windows XP or Windows 7-based systems not supported from hibernation. Internet access required. Timing may vary depending on the system configuration. To enable the feature following the removal of the battery, reboot the notebook prior to subsequent use.

Accessories and Services

HP Mobile Audio Speakers

Compact and lightweight, HP Mobile Speakers are designed for easy portability and optimal stereo enjoyment of DVDs, CDs and digital audio, producing a rich high quality sound for notebook PC users.

Product number: FS944AA

HP Essential USB 2.0 Port Replicator

HP provides a portfolio of professional-grade accessories that deliver an ideal mobile office designed to help you achieve your business goals, increase productivity and lower your costs.

Product number: AQ731AA

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

HP 15.6 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

Product number: AU103AA

HP Notebook Combo Lock

Secure your notebook and docking station with the HP Compaq Notebook Combo Lock.

Product number: AY475AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely.

Product number: UK704E
